Friends and neighbors:

I hope you are enjoying the holiday season. As the year winds to a close, I wanted to share with you the attached "Year in Review" highlighting some of our recent accomplishments in Hollywood.

It is a privilege serving you as Hollywood Field Deputy on behalf of Councilmember Mitch O'Farrell. Thank you for your partnership and passion as we work to bring a high quality of life to Hollywood and the 13th District.

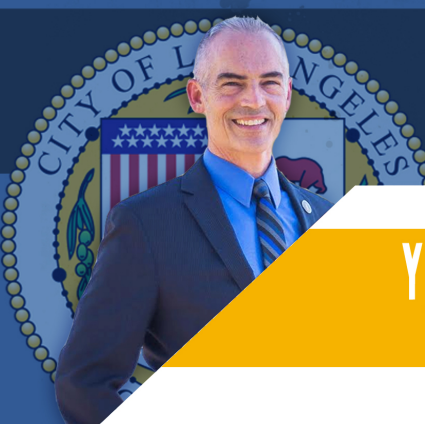

Please feel free to contact me at any time, and best wishes for a happy, healthy holiday season.

Warm Regards,

 **Dan Halden**

LOS ANGELES CITY COUNCIL, 13TH DISTRICT

YEAR IN REVIEW
TOP 13 HIGHLIGHTS

HOLLYWOOD

- Worked with Urban Forestry Division to complete a tree-trimming project on portions of De Longpre Ave., Leland Way, McCadden Pl., Las Palmas Ave., & Cherokee Ave. south of Sunset Boulevard.
- Installed new Preferential Parking District adjacent to Hollywood Forever Cemetery, bringing relief to residents experiencing ongoing parking challenges.
- Resurfaced Franklin Avenue, between Garfield Place and Bronson Avenue.
- Resurfaced Cahuenga Boulevard, between Santa Monica Boulevard and Melrose Avenue.
- Established oversize vehicle parking restrictions on several blocks near schools, residences, businesses, and the Boys and Girls Club of Hollywood, enhancing public safety in area and receiving broad community support. (CF 16-0967)
- Funded an extension of the Hollywood Pool season by an additional month during the summer.
- Directed Dept. of Transportation staff to report and make recommendations on improving public safety related to the tour bus experience in Hollywood.
- Celebrated the opening of Selma Community Housing, a 66-unit 100% affordable housing complex on Cherokee Avenue, near the Red Line subway and Selma Elementary School.
- Led L.A. City Council to select development team to create The Hollywood Arts Collective; new \$35-million mixed-use, affordable and market-rate housing community for artists. Project to be built on City-owned property along Hollywood Boulevard, between Wilcox Ave. and Schrader Blvd.
- Installed a brand-new, full traffic signal at the intersection of Vine Street and Waring Avenue adjacent to Larchmont Charter School. The new traffic signal was a top priority for the school.
- Worked with the Department of Transportation to install 49 cycle hoops (bike racks mounted to existing parking meters) on major commercial corridors in Hollywood.
- Secured funding to upgrade existing activated pedestrian warning device at Romaine and Vine Streets into a brand-new, full traffic signal, adjacent to Vine Street Elementary School.
- Identified \$850,000 to help implement the Hollywood - Western Streetscape, that will beautify and improve public safety on Hollywood Blvd, between Gower St. and Western Ave.
